FOREWORD

Between these covers lies the story of a school situated in a thriving community. This is the story of our school, Lockport Senior High School. We have told this story in pictures because we feel that's the best way to remember the days spent within her walls. If the print of some scene one day fades from our memory, we want a source with which to renew the image. So we are presenting the members of our school to you in every important step they have taken this year.

If you were to take samples from each section of our book and form a single picture with them, you would possess a montage representing life as we know it as teen-age citizens of Lockport. The camera has been used only as a mirror to reflect our daily activities. What you are actually seeing is the students of our school at work and at play.

WE HONOR

DEDICATION

Mr. Alexis V. Muller devoted forty-one years to teaching students of Lockport High School. Immediately upon retiring from this profession, he served fourteen years on the Board of Education. He now resides at his home on Ontario Street, where his days are spent enjoying his home and family. His charming, "How do you do," is known to young and old in our city.

For his many years of service to our community, we dedicate with great esteem this 1951 issue of the Forum to Mr. Muller.

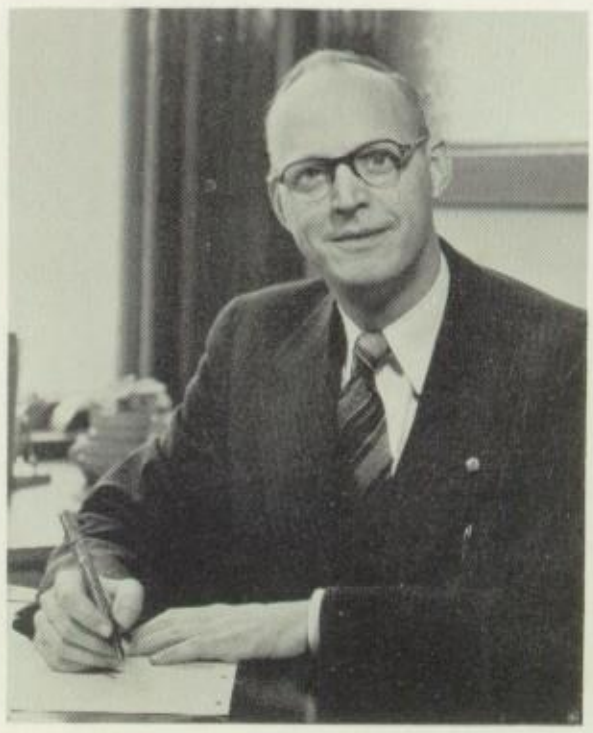
ADMINISTRATION

MR. GEORGE F. JAMMER

With the entire public school system of Lockport under his jurisdiction, Mr. Jammer is one of the outstanding men of our community. Working under tremendous difficulties due to the condition of the old building, he has helped make our life here pleasant and profitable.



MR. LLOYD F. McINTYRE

Under the expert guidance of Mr. McIntyre, our school life has run along on an even keel. Reprimanding us when we needed it and sympathizing with us when necessary, he has managed to make our years here at Lockport High School among the happiest of our young lives.

Back Row: Arnold W. Hautala, Frank H. Shaeffer, Charles A. Kaiser, Charles A. Upson, George F. Jammer, Superintendent. *Seated*: J. Wesley Andrews, Mrs. Agnes M. Klock, Secretary, Floyd Ziehl, Richard M. Archibald, President. (C. George Harrer, absent).

BOARD OF EDUCATION

The nine members comprising the Lockport Board of Education are elected for terms of five years at annual school elections which are open to all voters who are property owners, renters, or last but not least, parents. Their terms are staggered so that under ordinary circumstances there will be a majority of veteran members. They hold monthly meetings at the Administration Building on Chestnut Street. No remuneration is paid them for their services. To these Board members is intrusted the important task of seeing that our schools are well run.

The smooth functioning of our entire school is the work of many people, but outstanding among them are these individuals. Mr. Deeringer focuses all of our efforts toward mutual objectives. Mrs. Hamilton and Mr. Downey are ever-willing consultants. The heads of departments act as leaders for their respective groups. As for the office staff—they're an ever-present help!

CLASS OF 1951

It doesn't seem possible that our high school days have come to an end. These last three years at Lockport Senior High School have been the best of all our twelve years and finally our senior year has topped them all. Now we are at the commencement of our lives. Soon our senior year will be one of the most cherished of all memories. How can we forget the Blue and Gold Student Council campaign, the senior elections, the Sadie Hawkins Dance with those photographs of local Daisy Maes and Li'l Abners, the Holly Hop with Old St. Nick sailing over the gym, the semester exams, the pot luck supper with entertainment afterwards, "Heaven Can Wait," final exams and Regents, frothy formals at the majestic Senior Prom, Class Day, and finally starry, tearful eyes at graduation. Yes, the "days of our youth are the days of our glory" and we will never forget this — OUR SENIOR YEAR.

Douglas Dalrymple, Treasurer; Christine Grottanelli, Vice-President; Mr. H. Tavrow, Adviser; Donald Snell, President; Lois Maxwell, Secretary.

A barrage of fall activities began with the first semester of school. As summer activities came to a close, the class officers began the reorganization for a new school year. From the many candidates, Donald Snell was elected to the presidency, Christine Grottanelli was elected vice-president, Lois Maxwell, secretary, and Douglas Dalrymple, treasurer.

Amid the many football and basketball games, the juniors sponsored two paper drives. These projects were to raise money for a big event yet to come—the "Junior Prom."

February brought the smash success of a Valentines Dance planned by junior committees.

The end of the school year was coming rapidly and with it the traditional "Junior Prom." Vice-President Christine Grottanelli was chairman and, with the help of many hard-working committees, created a marvelous dance.

Through the remaining few weeks of school the juniors held their final homeroom parties. With the end of school came the end of this year's Junior Class, but next year's Senior Class looks like a honey.

Terry Murphy, Vice-President; Shirley Rhode, Secretary; Miss M. Murphy, Adviser; Richard Tavrow, President; Ralph Harding, Treasurer.

The Sophomore Class made a good start by holding elections in September which featured candidates' petitions, campaign speeches at a general class meeting, and elections in the individual homerooms. Chosen for officers were Dick Tavrow, President, Terry Murphy, Vice-President, Shirley Rhode, Secretary, and Ralph Harding, Treasurer. On January 26, the "Frigid Frolic," the first class dance, was held at John E. Pound School with great success, financially and socially. Another feather in the Sophomore cap was the splendid cooperation the student council received from this group in the council sponsored paper drive. The class initiated the idea of assuming the collection of patrons for the Forum, and succeeded in soliciting a considerable number.

A second dance was held in April, followed by a pot luck supper and picnic whose plans were still being considered when the Forum went to press.

A heated campaign for the election of its officers started off the year's activities for the Student Council. Once under way, the council acted upon many suggestions for bettering our school. The first major project of the year was the Thespian Society play, "Arsenic and Old Lace" The Student Council co-sponsored this production. of L.S.H.S. In early spring, greeting cards were sold by the Student Association to increase our treasury. Through the efforts of a Council Committee, an L.H.S. ring design contest was held and ten dollars was awarded to the designer of the best ring. Also in the spring, a parade was organized which helped promote the referendum for our new high school. Much credit is due to the officers and members of the council for bringing the benefits of a democratic student government to L.S.H.S.

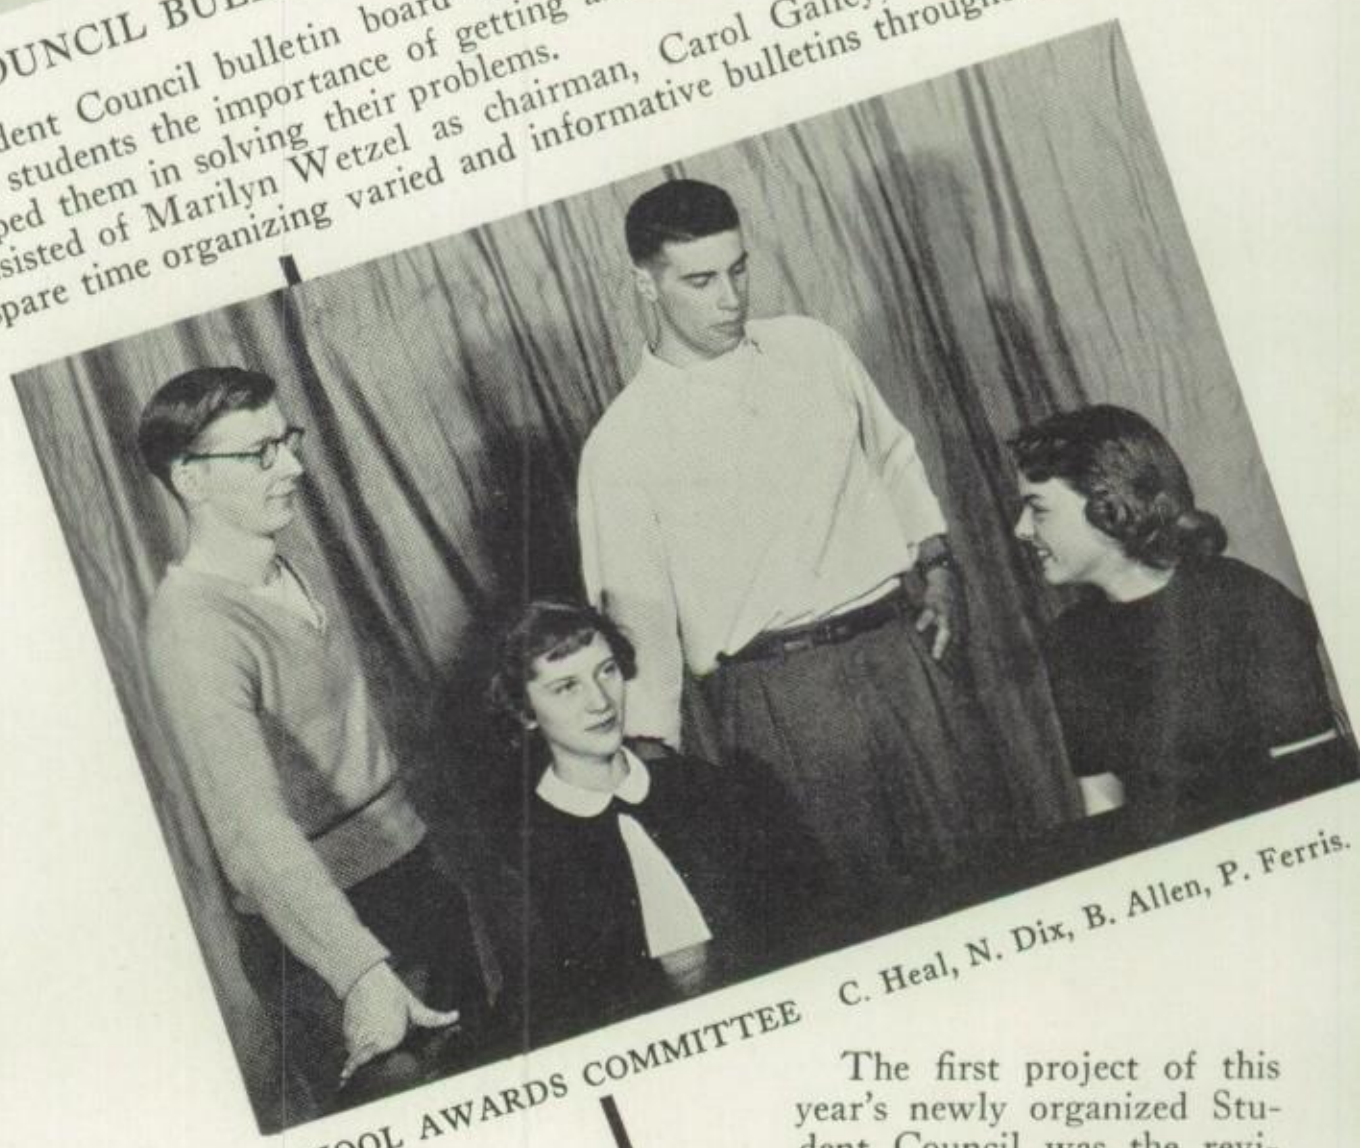
STUDENT COUNCIL BULLETIN BOARD COMMITTEE

During the past year, the Student Council bulletin board contained helpful topics important in life adjustment. It strived to show the students the importance of getting along with others and knowing themselves. The bulletin board has helped them in solving their problems.

The committee in charge consisted of Marilyn Wetzel as chairman, Carol Galley, and Loretta Szur. These girls spent much of their spare time organizing varied and informative bulletins throughout the school year.



SCHOOL AWARDS COMMITTEE C. Heal, N. Dix, B. Allen, P. Ferris.

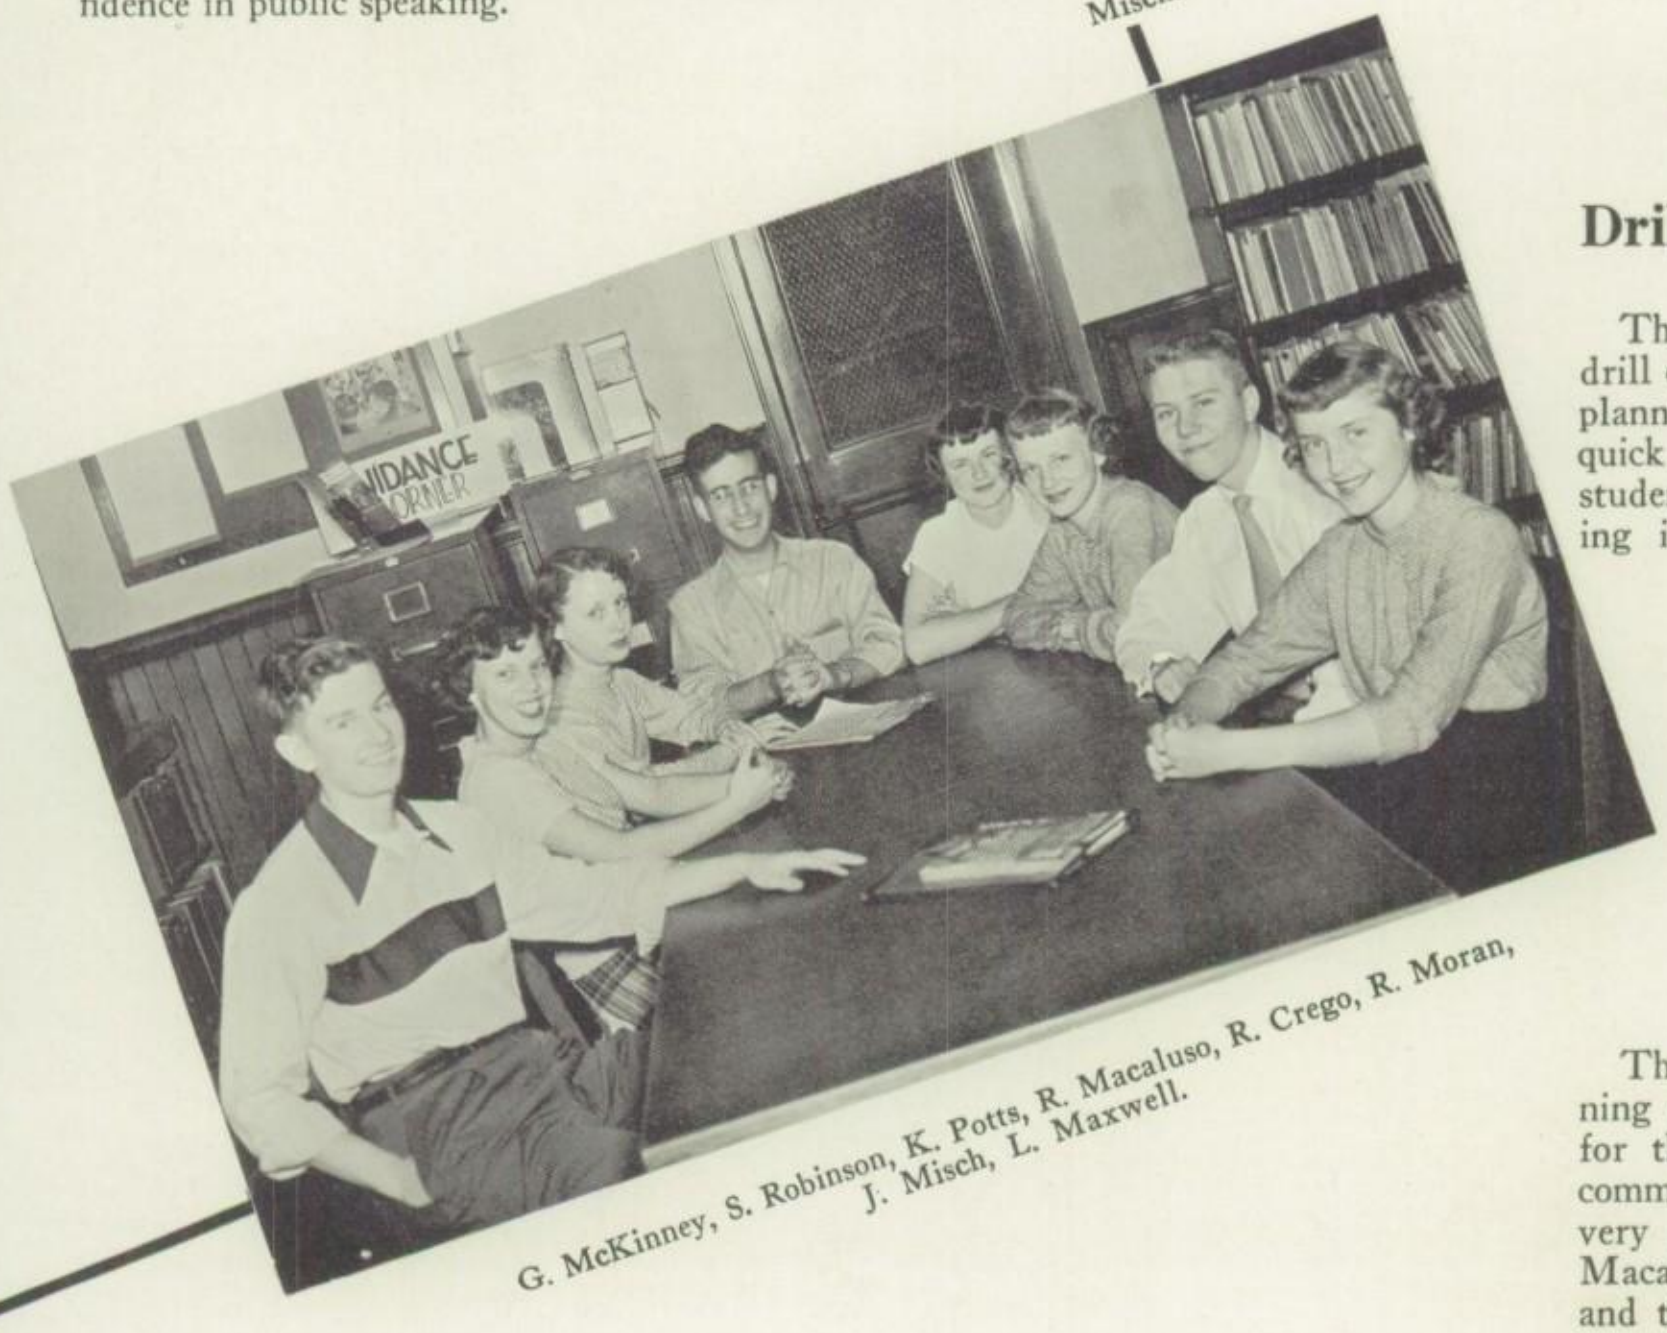
AWARDS

The first project of this year's newly organized Student Council was the revision of the school awards system. This system has been divided into the following parts: Student Council, Musical, Athletics, Auditorium, Class and Club and Community Activities. Points were given for participation in various activities, and to those twenty-five students accumulating the highest number of points, a school letter was awarded. The purpose of these awards is to recognize those students who are outstanding in both school and community activities.

ASSEMBLY COMMITTEE

The Assembly Committee has long been an important organization at L.H.S. On this committee are four students representing each class, giving a total of twelve members. The group is supervised by two faculty members. It is the duty of this committee to make up an assembly schedule for the year, taking into consideration the desires of the student body. These students are also in charge of the programs. For each assembly, two members, a boy and a girl, prepare the preliminaries and the introduction. This committee offers a chance for students to acquire poise and confidence in public speaking.

Standing: H. Hansen, C. Hickey, Mr. Klayman, D. Giddings, T. Jolls. *Seated*: C. Highhouse, D. Farley, P. Ferris, N. Jammer, Miss Bigelow, N. Dix, D. Gooding, P. Murphy, G. Hill, J. Misch.



G. McKinney, S. Robinson, K. Potts, R. Macaluso, R. Crego, R. Moran, J. Misch, L. Maxwell.

Fire and Air-Raid Drill Committee

The fire and air-raid drill committee of L.H.S. planned for the safe and quick evacuation of the students from the building in the case of fire. Also, they organized shelters and safety zones for the students in the case of an air raid. This was done by the homerooms assembling in the gym and on the first floor of the building.

The study and planning which was involved for the fire and air-raid committee was handled very capably by Russell Macaluso, Kathleen Potts and their committee.

Forum . . .

The Forum is composed, compiled, and published painstakingly in order that its readers will thoroughly enjoy its contents. The staff has aimed for the highest goal possible for your utmost reading enjoyment.

The staff and the Senior Class of '51 gratefully express their thanks to Miss A. Marie Murphy, yearbook adviser, and Mr. Harry Tavrow, business adviser, for the time, effort, and encouragement that they gave to make this yearbook a total success. Also, due thanks are to be given to the co-editors, Judy Giddings and Brock Yates. As you can see, this yearbook was a production done with the whole-hearted co-operation and effort of its staff.

Top Row: Miss A. Marie Murphy, Adviser.
Bottom Row: Dorothy Giddings, Brock Yates, Co-Editors.

We hope that in later years this annual will serve not only as a reminder of the Class of 1951, but also of L.S.H.S. as we knew it.

"TOWPATH"

The "Towpath" is Lockport High School's newspaper, published in the "Union Sun and Journal" every other Saturday during the school year. Informing the community of sports events, dramatic productions, and student views, it plays a vital part in our activities. Miss Leona Wesley and Miss Augusta Metzler are advisors to the staff of "Towpath" members.

"What's going on around L.S.H.S.?" That's what Marie Leyden and Pat Van Mater, co-editors of the "Towpath," were constantly asking as they started planning for one of the eighteen issues of the paper.

Editors and Advisers: Miss L. Wesley, M. Leyden, P. Van Mater, Miss A. Metzler.

Gail Hill, in charge of features, wrote "Names in the News", and Marilyn Gaylord, Exchange Editor, supplied the news from distant schools. Ted Vickery, Russ Kleinhans, and Ken Ostrander, our shutter-bugs, rounded up their subjects and "shot" them. They were continually busy satisfying the American desire to look at pictures rather than to read.

Sports events and highlights were ably covered by Henrik Hansen while Beverly Young managed the art details. Typing the articles in a fashion comprehendible to the U. S. & J. staff, was taken care of by Helen Sullivan. One of the most difficult jobs was held by Gerrie Mann, our Layout Editor, who spent many an hour expertly putting the paper together. Her assistants were Ann Lerch and Carol Bewley.

Library Club

The lads and lassies who aid Miss Dunlap in the library are among the busiest and least appreciated members of the school. They spend free periods checking books, carrying library attendance slips to their destinations and attending to the many details that insure the smooth functioning of our library. The officers are: President, Marie Darlow; Vice-President, Sally Draper; Secretary, Jack Gilbert; Treasurer, Shirley Moreland. Also the members take turns in decorating the library bulletin board. Much praise is due these industrious members of our school community.

JUNIOR RED CROSS

The Junior Red Cross, one of the oldest organizations in school, is an important part of Lockport High School. It helps connect each student with the excellent work done by the Red Cross all over the world. Collections for the annual Red Cross drive are gathered by two council members from each homeroom. The money is collected into one large sum and taken to the Red Cross offices. From there it goes to help the world-wide work of the Red Cross.

National Honor Society

The Honor Society represents the highest scholastic group at L.S.H.S. During their noon meetings, the society enjoyed many interesting programs, consisting of movies and discussion groups. This year's group proved to be more than an honorary group. At Christmas time they undertook the task of decorating our school according to the Christmas spirit. On March 1st, the new members were inducted. Much work was put into the initiation assembly and dinner.

Thespian Society

The Thespian Society of L.H.S. did much to gain recognition this year. First came the fall production "Arsenic and Old Lace," which they co-sponsored with the Student Council. In early spring the members worked to produce a children's play which proved a tremendous success. To wind up the year's activities, the society competed in the Dramatic Festival held at Fredonia State Teachers College.

Choir

"Sweet Strains of music sung by a well trained group," quite adequately describes the music of the L.S.H.S. Choir, directed by Mr. Doubleday. This enthusiastic group which devoted three lunch periods a week to rehearsals, contributed programs of listening enjoyment to our school and community. At Christmas time, they added a celestial touch to our assembly program, plus providing W.U.S.J. and the Rotary Club with programs of carols. The annual spring concert brought the activity of the choir to a glorious close.

Orchestra

Under the notable direction of Cornelius Gall, the Lockport High School Orchestra has achieved a place of high standing in the minds of the pupils of L.H.S. Many people other than students have discovered the satisfaction of listening to our fine orchestra through the medium of our local radio station, which is most cooperative in broadcasting school activities. However, few citizens pause to acknowledge the amount of preparation, outside of school, which is necesary to blend the skills of the individual musicians into the fine music which we eventually hear. We owe the members of the orchestra, and their leader, Mr. Gall, the sincerest thanks for the part which they play in the school year.

One of the most anticipated assemblies in the year is that performed by the band of L.S.H.S. under the direction of Mr. Robert Neil. The students seem to put everything that they've got into every note. This enthusiasm is passed along from musician to pupil, with the result that the band has been a main factor in "pep assemblies" and other functions which require arousing the interests of the students. At football time, the band can be seen marching across the field in their smart uniforms of blue and gold. The band adds a tremendous amount of school spirit to the vigorous routine of the typical L.H.S. student. We wish the band and its leader the best of luck in coming activities.

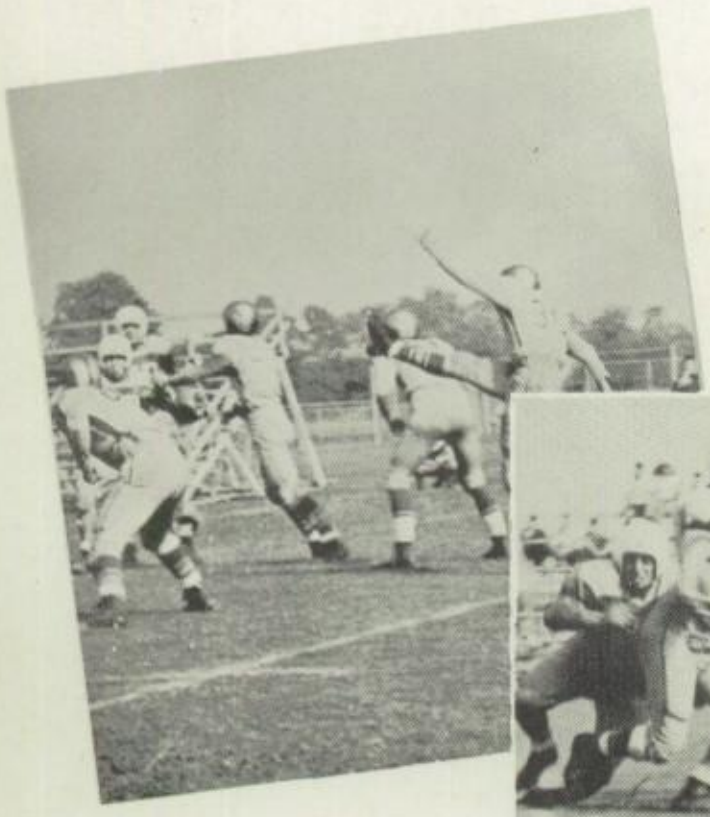
FOOTBALL

Coach Byron Linville's Pigskin Lions had a rugged 1950 season. They did well in that many players gained valuable experience and many will be returning next year. In order to build better teams for future years, the Coach has the seventh and eighth graders at Emmet Belnap and North Park playing in intramurals. Barring unforseen events, the coaching staff looks forward to very successful seasons for many years to come.



BASKETBALL

Playing determined if not successful basketball, Coach Hopper Kennedy's Lions displayed much fight and great ability but could not seem to click as a unit. The hoopsters were lacking only in experience that is sure to be present in next year's squad.

With Dick Rogenmoser, Al McGraw or Ted Henning working in the pivot slot, Ken Smith, Jim Dempsey, or Dick Baes playing under the basket, Bob Terhune and Dick Anderson, Tony Gould and Bob Anderson or George McKinney and Carl Molisani working the ball out in front, the Lions played fast and high scoring basketball against their Niagara Frontier League opponents.

Back Row: K. Smith, B. Anderson, J. Dempsey, T. Henning, A. McGraw, B. Harper. *First Row*: G. McKinney, T. Truscio, R. Terhune, A. Gould, D. Anderson, C. Molisoni.

BASEBALL

Coach Byron Linville's Gold and Blue baseball Lions chalked up an impressive score during the 1950-51 season with eight wins against five losses.

The L.H.S. baseball team beat Kenmore two out of three games in the play offs after an excellent season. This gave them a crack at North Tonawan da. The big thrill came to Lockport when the team beat N. T. four to one in the first game of the play offs, which was the first time N. T. had been beaten in a long time. Although we lost the next two games, the team was placed in the second slot.

Many of last year's players were back in the 1950-51 season, Leo Ritzenthaler, pitcher; Bart Allen, short stop; Tony Gould, catcher, and Dick Goehle and Herb Sharpe in the field.

"A" TEAM

Back Row: L. Knapp, W. Hardy, W. Harris, N. Juliana. *First Row*: R. Slattery, J. Hayden, D. Brim, D. Saxton.

Swimming

The L. H. S. swimming team won its first meet in five years under the guidance of Coach Byron Linville. Some mermen who did a fine job on the swimming team were: Nick Juliana, Muncie Russell, Will Harris, Ronnie Allan, Warren Hardy, Don Austin, and Don Saxton. In the freestyle events, Doug Brim and Dick Baker swimming breast stroke, John Hayden and Ed Weeks swimming back stroke, Saxton and Russell in the diving event.

Back Row: D. Austin, E. Weeks, J. Crawford, J. Hardy, W. Kilner, R. Forsey, D. Brim, D. Saxton, M. Russell. *Second Row*: R. Baker, W. Schumacher, W. Harris, Mr. B. Linville, Coach, N. Juliana, J. Back Row: Coach Frank Java.*Third Row*: D. McIntosh, D. Dalrymple, R. Hilderbrant, T. Henning, D. Mawhiney. *Second Row*: J. Couch, T. Murphy, R. Truax, C. Molisoni, G. McKinney. *First Row*: D. Saxon, J. Kibler, R. Hull, E. Weeks, J. Verity.

Track

Lockport High School's track team under the watchful eye of Coach Frank Java, had a reasonably successful season. On May 12 the track team entered a quadrangular meet between Tonawanda, Trott, Lackawanna, and Lockport and won their first track meet in thirteen years. From there they went on to capture a second place in a quadrangular meet betwen North Tonawanda, Niagara Falls, Lackawanna, and Lockport. In the Niagara Frontier League Sectionals, Ted Henning placed in the high jump, while Dick Hull placed in the discus throw. Hats off to the track team for winning their first meet in thirteen years.

Tennis

Plenty of competition and lots of new faces in the Niagara Frontier League gave Coach Dailey's charges a busy season. Capt. Russ Kleinhans, ably assisted throughout the season by Bob Terhune, and Dick Tavrow in the singles posts, brought some fine matches to a close. In doubles, Gordy Whitcomb and Werner Beller showed real promise. Charley Hickey, Lee Humphrey, Robbie Kennedy, Pete Wendel and others showed real ability. Two wins over Trott provided bright spots and Sage Emerson, playing doubles in bare feet, and a dog biting the manager, supplied much humor to the season.

D. Tavrow, G. Whitcomb, R. Kleinhans, B. Terhune, C. Hickey, Mr. J. Dailey, Coach.

Back Row: Mr. B. Linville, Adviser, D. Moore, B. Terhune. *First Row*: D. Giddings, S. Emendorfer, Mrs. M. Timkey.

Sportsmanship Council

The four representatives from our school on the Niagara Frontier League Sportsmanship Council faced the problem of maintaining good sportsmanship throughout our athletic seasons. Through participation in pep assemblies, articles in the Towpath, and announcements over W. U. S. J., this group fought successfully to raise our sportsmanship standards. In the fall, they attended a meeting of the entire organization at Tonawanda and in the spring at Kenmore.

Coaches

The Managers club of L. H. S., under the supervision of Mr. Giddings, combines the managers of the six different sports into a smooth coordinating organization. The membership is open to all student managers of varsity and junior varsity teams at L. H. S. The purpose of the club is to bring the managers of interscholastic sports at L. H. S. into closer cooperation with each other and give each an insight into the work behind the scenes of sports.

Coaches: Fred Case and "Hopper" Kennedy.

Manager's Club

Back Row: D. McIntosh, G. Moran, D. Montondo, H. Hansen, R. Harding, D. Morgan, W. Thorman. *Front Row*: Adviser, Mr. R. Giddings, L. Humphrey, D. Marshall, W. Schumacher.

Back Row: N. Crimi, C. Goldy, B. Muir. *Front Row*: M. Bush, G. Hill, G. Mann.

Twirlers

The girls at LSHS are also active in sports. They are represented by two enthusiastic groups, namely, the cheerleaders and the twirlers.

The ten cheerleaders, under the supervision of Mrs. Timkey and Miss Frey, did an excellent job of lifting our dampened spirits. These girls are chosen from the many eager sophomores who compete each year. They are selected through tedious try-outs and eliminations, designed to obtain the most talented girls.

The twirlers, guided by Mr. Neil, go through the same process of elimination. The competition is always keen. The seven lucky girls march at the head of the band and perform their various routines and stunts.

There is a new adult in the family now. What more appropriate way to acknowledge your graduate's new status than to build a new room, or remodel an old one to fit the grown-up tastes of that new adult in your family?
..The attic, basement or former sleeping porch may well provide space for a new room. A built-in storage wall and writing space, a new Upson ceiling will give completely individual feeling to an old bedroom.
You can do this economically and quickly by using Upson Panels—the modern wall and ceiling lining.
